

An aerial photograph of a residential neighborhood. A road runs diagonally from the bottom left towards the top right. On the left side of the road, there is a small, dark-colored building with a red roof. The surrounding area is filled with houses and trees, appearing in shades of green and brown.

An aerial map showing a road intersection. A yellow car is positioned at the intersection, and a black truck is positioned on the road to the right. The map includes a green area in the top left and a white area in the bottom right.
